Wireless Rain Sensor: Rain sensors—also called rain shut-off devices—they are designed to interrupt the cycle of an automatic irrigation system controller when a specific amount of rainfall has occurred. They are small devices connected to the irrigation system controller and mounted in an open area where they are exposed to rainfall. Homeowners will be given a FREE Wireless Rain Sensor to install.

Program Qualifications:

- Homeowner lives within the City of Haines City Utilities service area.
- The home currently has a programmable irrigation system.

Steps to Apply:

1. Homeowner will fill out the application.
2. Mail/E-mail/Fax the application to the utility.
3. City staff will schedule a time to deliver the wireless rain sensor and complete the inspection form.

Applicant Information: Please Print Clearly

Utility Billing Account #: _____
Last Name _____ First _____ M.I. _____
Street Address _____ Apartment # _____ City _____
State _____ Zip _____ U.S. Phone _____ E-mail _____

 Commercial

Property Information:

Does the property currently have a programmable irrigation system? Yes No

Agreement of Term and Conditions*

City of Haines City Utilities may deny any application that does not meet program requirements. The undersigned expressly agrees that the City of Haines City may inspect all items submitted for the Wireless Rain Sensor Program. The undersigned further agrees to hold harmless the City of Haines City and/or Polk Regional Water Cooperative against all loss, damage, expense, and liability resulting from the loss, destruction of damage to property arising out of or in any way connected with the installation of the Wireless Rain Sensor. The City of Haines City reserves the right to alter this Program at any time. Funding for the Program is limited to available resources. For further questions, please call (863) 421-3695.

I have read, understand, and agree to the terms and conditions of this Program.
